

„Move Together“ School and Sport Cooperation Award

Dear 'Saarlouis Royals' Team,

First, Fit Sport Austria as the leading organisation and all twelve partner organisations of Erasmus+ sport project 'Activity Square Europe' want to thank you for being part of the 'move together' school and sport cooperation award!

Your application is one out of 31 from sport and education organisations of five different EU member countries. In total, we received well-done and creative videos with established and strong cooperation models. All application forms are well described and completed with effort.

All competitions have something in common: not everyone can win. A jury of five project team members watched all videos and read all applications to score them in six different categories:

- The video clip is creative.
- The clip was taken with effort.
- The cooperation is explained well and clearly.
- The cooperation is innovative.
- There is a commitment of the visible stakeholder.
- The cooperation is successful to create more physical activity.

At the end, we have an average score for every participating team. Consequently, we want to inform you that you achieve the 2nd position of the 'move together' school and sport cooperation award! Congratulations!

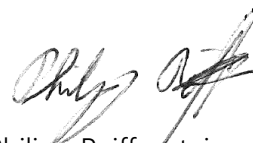

To accept your award, please save the date of the final 'Activity Square Europe' project forum, which will take place in Budapest, Hungary: 15th – 17th of May 2018.

To register for the forum and to handle the transfer of the sports equipment, please get in contact with Misses Desa Sekulic of Fit Sport Austria (d.sekulic@fitsportaustria.at).

Kind regards,

Werner Quasnicka,
Responsible Project Manager

Philipp Reiffenstein,
Operational Project Manager
